TRAVELING BY CAR

Our hotel is located just off of I-75, the region’s major north-south interstate highway. It intersects the region’s major east-west interstate I-70 in Dayton. Many other interstates feed into these highways, making it accessible by car to most of the Midwest, Southeast, and east coast.

TRAVELING BY AIR

The closest airport to Middletown is Dayton International (34 miles to the north). Cincinnati/Northern Kentucky is also close (46 miles to the south). Which you choose will likely depend upon which airlines offer the best connection/lowest fare from your location. Travel time from the airport to our hotel will vary by time of day and whether any construction is underway on I-75, the highway that links both airports with the hotel. Assume 35-45 minutes from Dayton and 55-75 minutes from Cincinnati (more if rush hour). If you are arriving on May 4, the night of the opening reception, you will want to arrive no later than 3:30 PM in Dayton or 2:30 PM in Cincinnati.

Other airport options include Columbus, Ohio (100 miles) and Indianapolis (128 miles).

LOWER COST HOTELS

For those wanting lower cost rooms, there are other options at the same interchange. Days Inn, Red Roof Inn, Quality Inn, and Super 8 are lower cost options but be sure to check out reviews before booking.
